Mj Callaway Adds Another Credential: the CCMS, Change Management Specialist Certification

PITTSBURGH, PA – Mj CALLAWAY has successfully completed the requirements to obtain the certification of CHANGE MANAGEMENT SPECIALIST CERTIFICATION through the Management and Strategy Institute on January 1, 2023.

Graduates of Management and Strategy Institute certification programs demonstrate a commitment to their professional development by acquiring new skills and certifying those skills via examination.

About Mj Callaway, CCMS, CSP, CVP

Mj Callaway is known for shifting staff attitudes and converting tactics into results. She developed her three-step Bounce-Up™ concept to help organizations crush change, boost morale, and improve collaborative communication. She's a two-time cancer warrior, domestic abuse survivor, and the only female to hit the top five in sales for a national building company, selling three times her sales quota. She shares her trademarked strategy-driven techniques so that business professionals can turn every change into a Bounce-Up™ opportunity. Her latest book, *Bounce-Up: Outpower Adversity, Boost Resilience, Rebound Higher*, has been endorsed by the CEO of the Healthy Workforce Institute.

About Management and Strategy Institute:

The Management and Strategy Institute provides professional development certification in key business skills that are in high-demand within corporate America. Certifications through the Management and Strategy Institute are rigorous, and competency based making them a desirable credential for high-performing professionals and corporate leaders.
